

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF NORTH CAROLINA
WESTERN DIVISION
No. 5:20-CV-453-D

COLORADO BANKERS LIFE
INSURANCE COMPANY,

Plaintiff,

v.
TAC INVESTMENTS, LLC,

Defendant.

ORDER

The court has reviewed the record and the governing law. After considering plaintiff's motion to consolidate [D.E. 27], and plaintiff/counter-defendant's partial motion to dismiss the second and third counterclaims [D.E. 21], the motions are DENIED as meritless. Whether the counterclaims will survive a motion for summary judgment is an issue for another day.

SO ORDERED. This 20 day of July 2021.
